

Factory Sustainable Engineering Intern

[Apply Now](#)

Company: Seagate

Location: Thailand

Category: other-general

As a FSE team, you'll work on a specific project critical to manufacturing input requirement. You will design, test, deploy, and maintain software solutions as you, and the business, grow and evolve during your internship. We also develop automation machine to support manufacturing requirement with human error reduction. We are working together with software, electrical and mechanical engineering.

About the role - you will:

- Ensuring all output meet project's requirement.
- Responsible for understanding and interpreting user requirements, analyzing results and data, making determinations by criteria, and communicating results to identify problems with requestor.
- Work with other engineering teams to develop new test methods or improve existing ones.

About you:

- Able to create/develop the process to project requirement in timeline.
- Interested in machine learning, networking, developing large software systems and web application development.
- Strong team player, collaborative approach and resourceful
- Effective communication and interpersonal skill

Your experience includes:

- Coding experience in one of the following programming languages: C++, Java, Python, or Go.

- Familiar in one or more programming languages/applications: AutoCAD, Solid works, etc.
- Basic statistic knowledge
- Data collection skills
- Ability to work as a team player with other engineer supervisors and operating level.

Location:

Home to 4,000+ employees, our Teparuk site produces nano-recording heads, a crucial component of the read/write functionality of a hard disk drive. Our Teparuk facility is a fun and active site. Here at work you and your colleagues can grab breakfast, lunch, dinner and snacks at our 24-7 on-site canteen and coffee shop. Get in a few laps around our running track or enjoy volleyball, ping pong, badminton or football through our on-site gymnasium and fitness center. We also offer music, dance and yoga activities. Enjoy many on-site festivals and celebrations as well as opportunities to give back to the local community.

Location : Teparuk Thailand

Travel : None

Innovation thrives in a culture that embraces different voices, where employees are equal contributors and are empowered to express themselves

authentically. Building this culture takes constant work and willingness to be transparent about progress. Read more in our Diversity, Equity, and Inclusion,.
