

## General Practitioner for Telemedicine - Thailand

[Apply Now](#)

Company: Telemedi

Location: Thailand

Category: other-general

Telemedi is one of the largest providers of telemedicine in Europe. We deliver comprehensive telemedicine solutions for insurers, assistance companies, medical entities, pharmaceutical companies, and national healthcare systems. We offer innovative and high-qualified services that are used by an ever-growing number of patients across the world.

As we are expanding our activity in Thailand, we are looking for an experienced doctor to take care and prescribe for our patients.

What would be your responsibilities?

Formulating suitable treatment plans

Prescribing medications to patients

Maintaining accurate records of patients' medical history, medications, diagnoses, and healing process, all through our platform

### Requirements

Medical Doctor Degree (MD)

An unrestricted license to practice medicine in the Thailand

Self employment or having a private practice

Liability insurance

### Benefits

Flexible schedule and complete control over working hours

100% remote work through our platform

Participating in an ambitious international project

Collaborating with doctors from different countries

Being part of a young and dynamic team

We will gladly discuss with you all the details of the cooperation and particular prices. Please apply here or send your CV to [d.gonzalez-moreno@telemedi.com](mailto:d.gonzalez-moreno@telemedi.com) and we will reach you back.
