

Intern Slider Engineering (Row Slice/DSL/Dicing Process)

[Apply Now](#)

Company: Seagate

Location: Nakhon Ratchasima

Category: other-general

Slider Fabrication is a manufacturing plant fabricating one of the key component in a Hard Disk Drive, This component is called Recording Head which is used to write and read the digital bits on the media of a hard disk drive. Cleaning processes in our manufacturing plant consist of various type of chemistry as well as machines to deliver best in class cleaning performance.

Our team is developing, maturing and optimizing new processes or technology to meet future product roadmap requirements.

About the role - you will:

Assist the Process Engineers in a specific project to meet the Project Objective. Area of focus is on Projects related to chemical concentration and parameters optimization

Perform Design Of Experiment and data analysis to suggest an optimum setting to design a stable process that can guarantee the cleanliness performance that is best in class

Work closely with operation shop floor teams (manufacturing, process and equipment engineering) to enable successful execution of experiments

About you:

Degree background with chemical engineering or material engineering will be preferred

Able to prioritize multiple tasks, manage conflicting deadlines, and work effectively in a dynamic environment.

Your experience includes:

Excellent teamwork and presentation skills

Ability to effectively plan, control and take responsibility for timeline and status update

Fluent in English communication, both spoken and written

Location:

Korat, Thailand

Our Korat facility is our largest manufacturing site worldwide, with almost 20,000 employees. Here, our team produces cloud-based storage equipment, from individual storage components to finish drives. Our employees enjoy ample on-site parking as well as free shuttle vans and buses within the city of Korat, to and from Bangkok, and on the weekend to and from Khon Kaen University. At work you can grab a delicious breakfast, lunch, dinner or snacks at one of our 24-7 on-site canteens or coffee shop. We offer ping-pong, a running/walking trail, basketball and volleyball teams, and classes in our on-site fitness center. We also have many on-site events and opportunities to give back to the local community.

Location : Korat Thailand

Travel : None

Innovation thrives in a culture that embraces different voices, where employees are equal contributors and are empowered to express themselves authentically. Building this culture takes constant work and willingness to be transparent about progress. Read more in our Diversity, Equity, and Inclusion, .
