

IT Intern

[Apply Now](#)

Company: Seagate

Location: Thailand

Category: other-general

We are a team of IT professionals from Seagate. We are responsible for creating and implementing data-driven solutions to support business decisions and operations. The use of AI and ML allows for real-time data analysis and decision making, predictive maintenance, and the optimization of production processes. We collaborate with the business teams to harness the full potential of Industry 4.0 - Real-time control, IoT, Big Data and Analytics, Automation and Artificial Intelligence to support “Smart Factory” initiative, to make better decision and maximize operational excellence.

About the role - you will:

Design and implement machine learning models and algorithms that solve complex business problems.

Identify and evaluate new AI technologies, tools, and techniques that can be used to improve existing products or create new ones.

Communicate technical concepts and ideas to non-technical stakeholders and executive management.

Ensure compliance with ethical and legal standards in AI development and use. #internship

About you:

We are looking for candidates who are highly passionate about data science and want to apply AI/machine

learning/deep learning techniques to solve real-world problems.

Strong understanding of machine learning algorithms and techniques, including supervised and unsupervised learning, deep learning, and natural language processing.

Excellent communication, leadership, and collaboration skills.

Ability to think strategically and drive innovation in the AI and machine learning space.

Your experience includes:

Hands-on experience with programming languages such as Python or R, as well as popular machine learning frameworks such as TensorFlow or PyTorch.

Experience working with big data and distributed computing systems such as Hadoop and Spark.

Experience in machine learning and AI development

Location:

Home to 4,000+ employees, our Teparuk site produces nano-recording heads, a crucial component of the read/write functionality of a hard disk drive. Our Teparuk facility is a fun and active site. Here at work you and your colleagues can grab breakfast, lunch, dinner and snacks at our 24-7 on-site canteen and coffee shop. Get in a few laps around our running track or enjoy volleyball, ping pong, badminton or football through our on-site gymnasium and fitness center. We also offer music, dance and yoga activities. Enjoy many on-site festivals and celebrations as well as opportunities to give back to the local community

Location : Teparuk Thailand

Travel : None

Innovation thrives in a culture that embraces different voices, where employees are equal contributors and are empowered to express themselves

authentically. Building this culture takes constant work and willingness to be transparent about progress. Read more in our Diversity, Equity, and Inclusion,.
