[Apply Now](#)

Company: PRTR

Location: Thailand

Category: other-general

Our client is one of the largest palm oil manufacturers in Thailand. Currently, they are seeking a highly talented Logistics Manager based in Chumphon

### Key Responsibilities

Managing overall logistics and warehouse management including organizing and monitoring storage and distribution of goods.

Creating and enforcing policies and practices for logistics activities that focus on effectiveness, sustainability, and efficiency.

Monitoring existing logistic systems and making suggestions for improvements when needed.

Initiating ideas and practices regarding the logistics systems.

Developing excellent relationships with the internal team including sales and marketing, and production about any issues that arise.

Advising on optimal transportation activities such as routing, equipment, and delivery schedules.

Implementing ISO, GMP, HACCP, TPM, or any other procedures related to the company's standard.

Performing other duties as assigned.

### Qualifications

Minimum of 5 years of related work experience in import/export and BOI tasks.

Bachelor's Degree in Logistics, Industry, Business Administration, or any related field.

Knowledge and experience in logistics and experiences in warehouse management.

Familiar with ISO, GMP, HACCP, and TPM.

Excellent in English skills and computer skills.

Workplace Area: Chumphon.
