

Odoo Developer

[Apply Now](#)

Company: Frontware International Co., Ltd

Location: Wang Thong Lang

Category: computer-and-mathematical

Frontware International is seeking an experienced and talented Odoo Developer to join our team in Bangkok, Thailand. As an Odoo Developer, you will be responsible for developing clean code and working in an international environment. You will work closely with our project managers, technical team, and clients to design, develop and maintain Odoo applications.

Responsibilities: Design, develop and maintain Odoo applications using Python, JavaScript, and PostgreSQL. Develop and customize modules, integrate third-party applications, and create new features. Write clean, well-documented, and reusable code. Participate in code reviews, testing, and debugging. Work closely with our project managers, technical team, and clients to identify requirements, provide estimates, and deliver solutions. Participate in team meetings, and collaborate with other developers to share knowledge and best practices.

Requirements: Bachelor's or Master's degree in Computer Science or a related field. At least 3 years of experience in developing Odoo applications. Strong proficiency in Python, JavaScript, and PostgreSQL. Experience with Odoo modules development, customization, and integration. Good understanding of web technologies such as HTML, CSS, and XML.

Familiarity with version control systems, particularly Git. Strong problem-solving and analytical skills. Excellent communication and collaboration skills. **Benefits:** - Competitive salary based on experience and qualifications. - Work in an international environment with talented and experienced developers. - Opportunity for career growth and advancement. - Health insurance.

If you are a passionate and skilled Odoo Developer who wants to work in an exciting and dynamic environment, we would love to hear from you.
