

Product and Process Intern

[Apply Now](#)

Company: Lumentum

Location: Thailand

Category: other-general

It's fun to work in a company where people truly BELIEVE in what they're doing!

Responsibilities:

Assist with research, analysis, and preparation of reports or presentations.

Support the team in daily administrative tasks and project execution.

Participate in department meetings and contribute ideas and feedback.

Engage in specific projects, providing innovative solutions to improve departmental outcomes.

Learn and apply industry-specific software and tools relevant to your department.

Collaborate with other interns and team members on cross-functional projects.

Perform additional tasks or projects as assigned, tailored to the intern's interests and career goals.

Qualifications:

Current enrollment in an undergraduate or graduate program related to Engineering.

Strong academic record and a demonstrated interest in optical communication.

Excellent analytical, problem-solving, and critical thinking skills.

Effective communication and interpersonal abilities.

Ability to work collaboratively in a team environment as well as independently.

Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint); familiarity with [any additional software relevant to the department] is a plus.

Eagerness to learn and adapt in a fast-paced environment.
