

Project Manager

[Apply Now](#)

Company: INDEFF

Location: Thailand

Category: other-general

About the job

As a Project Manager for INDEFF, you will be responsible for the coordination of internal resources, automation projects and third party contacts. **The goal of your efforts is to ensure that all projects are delivered on time and on budget** This includes the development of objectives, involving all stakeholders. During the project itself, you are relied on to track and document progress in order to accurately report to management. Finally, and most importantly, you will manage and construct long-term relationships with multiple clients in your region.

About You

Our ideal Project Manager has:

an educational background in Computer Science or Engineering

a minimum of 3 years' experience as a Project Manager

a solid technical background in software development

strong written and verbal communication skills

organizational talent, including attention to detail and multi-tasking skills

analytical skills, since you will make decisions that affect the project as a whole

knowledge of both theoretical and practical aspects of project management

a genuine willingness to learn and travel
