

QC Inspector

[Apply Now](#)

Company: V-Trust Inspection Service

Location: Bangkok

Category: other-general

Founded in 2006, V-Trust Inspection Service Group now is the biggest Product Inspection Company in Asia, building a sound network with more than 400 employees covering China, India, Vietnam, Thailand, Malaysia, Bangladesh, Indonesia, and Pakistan.

We believe in our contributions to helping clients improve product quality and lower the risk of receiving products with poor quality by providing competent product inspection, factory audit, social compliance audit, and laboratory testing services with full accreditations such as ISO9001, CNAS17020, AQSIQ, and IFIA.

Over 12000+ buyers and importers and gained good reputations from our high-level quality control services covering a wide product range, including electronics, electrical appliances, garments & textiles, furniture, home products, toys, gifts, outdoor goods, and machinery.

Why join us?

At V-Trust, we offer more than jobs — we offer careers. We are aware that caring about our greatest resource, our people, enables us to create long-term value and, most importantly, trust.

We can unlock the power of trust to realize opportunities for people and organizations and help people to reach an idealistic tomorrow. For consumers, for clients, for our people, and for our communities.

We are seeking talents who can help us to deliver an exceptional experience for our clients. If you are looking for a career journey in quality inspection service, one that offers you a world of potential, then this could be your best first step.

The Role

Your responsibility will include:

Closely communicate with Inspection Coordinator to schedule the inspection assigned.

Implement inspection according to operation guidelines, inspection guidelines, and any special instructions provided by the company.

Complete the inspection report with photos and submit it to Technical Manager within the required time limit.

Submit inspector's job expense claim form and reimbursement documents monthly and meet financial requirements.

Perform other duties and responsibilities as assigned by supervisor/management.

Ideal Profile

Associate Degree or above.

Good Communications Skill

Major in engineering mechanical, garment & textile, furniture, electrical & electronic, etc .

Ideally, a person is a well-organized team player, able to solve on-site problems independently, and with good interpersonal skills.

Integrity and honesty.

Willing to travel frequently.

Mandarin speaking is a plus in order to be able to effectively liaise with stakeholders in the region..

Preferably have a few years of working experience in the inspection field or technical background.

What's on Offer?

Work alongside & learn from best in class talent

Leadership Role

Flexible working options
