Category: other-general

TELUS International AI Data Solutions partners with a diverse and vibrant community to help our customers enhance their AI and machine learning models. The work of our AI Community contributes to improving technology and the digital experiences of many people around the world. Our AI Community works in our proprietary AI training platform handling all data types (text, images, audio, video and geo) across 500+ languages and dialects. We offer flexible work-from-home opportunities for people with passion for languages. The jobs are part-time, and there is no fixed schedule. Whoever you are, wherever you come from, come join our global AI Community. www.telusinternational.com

The Role

Who is suitable for this work?

We are looking for dynamic people who have strong communication skills and use the Internet daily. This is a freelance, independent contractor position. You will have the flexibility and freedom to work from your own home, working your own hours.

What does the work involve?

In this job you will be reviewing online advertisements in order to improve their content, quality and layout. You will be required to provide feedback and analysis on advertisements found in search engine results and provide ratings on their relevance to the search terms used. Another aspect of this opportunity will involve reviewing the language used in advertisements by examining grammar, tone and cultural relevance.

As a Personalized Internet Ads Assessor your ultimate goal will be to contribute towards making internet search and online advertising more relevant and interesting for all Thai speakers in Thailand.

Ideal Profile

You must be living in Thailand for the last 3 consecutive years

- Suitable candidates must have full professional proficiency in English and Thai
- Access to and use of a broadband internet connection and associated computer and antivirus software to perform the work, all provided at your own expense
- Experience in use of web browsers to navigate and interact with a variety of content
- Access to and use of an Android (version 4.1 or higher) or IOS Smartphone (version 8 or higher) to complete tasks
- A Barcode Scanner application must be installed on your smartphone to complete certain tasks
- Active daily user of Gmail and other forms of Social Media

What's on Offer?

Flexible working options

Opportunity to make a positive impact

Fantastic work culture
