

## Senior Finance and Accounting Manager

[Apply Now](#)

Company: PRTR

Location: Thailand

Category: other-general

Our client is a multinational leading company.

The successful candidate will report to General Manager and will be responsible for the following key functions;

Leading and developing managers and staff to ensure accounting activities are performed accurately and ethically according to relevant regulations, laws, accounting standards, and other relevant standards.

Developing and publishing through authorized management policies and procedures on accounting, budgets, taxes, business planning and forecasting, financial reporting, and performance measurement.

Developing and implementing a comprehensive system of financial reports to provide corporate management with pertinent information concerning the operating results of each segment of the company.

Preparing Corporate Income Tax computation with BOI investment promotions and reviewing all monthly and annual tax filings.

Working with external auditors to ensure that the audit financial statements are timely reported.

Providing accurate and timely financial reports, and performance reviews.

### Qualifications

Bachelor's or Master's Degree in Finance/Accounting.

More than 10 years of work experience in Finance/Accounting functions with many years of experience at the managerial level.

Auditing experience/background would be an advantage.

Experience in monthly closing and reporting in MNCs and dealing with auditors and tax authorities.

Good English proficiency in written & spoken communication.
