

## Supply Chain Director

[Apply Now](#)

Company: Adecco

Location: Thailand

Category: other-general

### Job Responsibilities

#### What to Expect:

Our client is a leading Electronics Manufacturing Solutions Provider (EMS). The company has operated for 20 years in the industry. The company is now looking for Supply Chain Director.

#### Main Responsibilities

Lead the entire team consisting of purchasing, sourcing, warehouse and planning.

Organizing and managing the logistical and planning processes for materials to achieve business goals and meet consumer demands.

Accountable for the inventory, purchasing, planning, scheduling, logistics, shipping, and receiving aspects of supply chain management.

Establishing, organizing, and enforcing program, operational, and personnel rules and procedures to maintain receiving, warehousing, and distribution activities.

Establishing, implementing, and maintaining a material procurement process that aims to obtain materials from internal and external vendors at the lowest total cost, highest quality, and in a timely manner.

Planning the internal and exterior movement of materials. Create effective planning for the inter-plant and supplier delivery of materials. Optimize inventory levels, lot sizing, lead times, packaging, and transportation costs while meeting production and part needs.

Maintaining operations for receiving, warehousing, and distribution by developing, coordinating, and enforcing program, operational, and personnel policies and procedures.

Fostering a culture of safety in the warehouse and logistics.

## **Experience requirements**

### **Qualification**

Bachelor or Master's degree in Supply chain or related field.

10 years of Supply Chain Management experience in Electronic Manufacturing Solutions.

Excellent spoken and written English proficiency is required.

Excellent management, decision-making, collaborative, and problem-solving abilities.

**Mandarin native speaker (MUST).**
