Company: PRTR

Location: Thailand

Category: other-general

Our client is leading the global ophthalmic industry. They are committed to providing solutions to correct and protect the visual health of people worldwide.

Job Description

Preparing local tax data, such as VAT, WHT, Corporate Income Tax, and other tax filings, to guarantee compliance with relevant tax legislation and submission deadlines.

Preparing tax payments and account reconciliation.

Organizing original tax invoices and withholding tax certificates to correspond with the input and output VAT report and the withholding tax credit.

Assisting accounting teams with tax inputs and reconciliation of tax-related general ledger accounts.

Responding to internal and external tax inquiries and promptly assisting the Tax Manager with tax concerns.

Assisting with tax investigations and audits undertaken by the tax authorities.

Performing additional ad hoc related activities connected to tax liaison work.

Qualifications

Bachelor's degree or higher in Accounting or any related field.

Experience in the manufacturing industry is needed.

Strong knowledge of local accounting and tax regulation.

Good command of English is a must.

A CPA license is an advantage.

Experience in Big 4 companies is a must.
